Dear Ms Snowden,

Thank you for your email of 6 May to the Lord Chancellor regarding the Bill of Rights consultation responses. As a government official, I have been asked to respond.

Thank you for your response to the consultation 'Human Rights Act Reform: A Modern Bill of Rights'. As you know, the consultation is now closed, and the Government is giving careful consideration to the responses.

The Government does not intend to publish, in full, all the responses to this consultation. Publishing all responses in their entirety is not the normal practice for government consultations.

The Government intends to publish a formal response setting out, in general terms, the nature of the responses received to its consultation, and the actions the Government has taken in response. This will be published in the summer of 2022.

Yours sincerely,

S Asif
